

Summer Intern

Job Summary

Sponsel CPA Group is seeking a full-time intern during the summer months. This position will perform the duties of an audit and tax staff member. As an audit intern, the candidate would be involved in the planning of an audit, review, or compilation engagement, learning the company environment while performing assurance services, identifying potential inefficiencies and making recommendations to the senior staff on the engagement, and gaining an understanding of the world of public accounting. As a tax intern, the candidate would be involved in preparing personal and business income tax returns, learning and applying tax laws to client situations, identifying and recommending tax savings ideas and planning concerns, and gaining an understanding of the world of public accounting.

This is a paid internship at an hourly rate. We will complete any necessary reporting to assist with obtaining college credit hours.

Skills Preferred

Candidates are asked to have strong analytical and problem solving skills. The candidate must demonstrate a broad technical knowledge and understanding of GAAP and/or federal tax concepts. A desire to learn in a team environment is preferred, as is a friendly and professional attitude.
